As the semester moves toward its finish, students and of course staff are working hard on final assessments. The year 10 and 11 students have already completed an exam period with formal exams in each of their subjects. On June 10th all year 12 VCE students and a large number of year 11 students, studying unit 3-4 subjects, completed the GAT. The GAT is a general assessment that supports assessment validation at the VCE level. All students at other levels will also have a range of assessments leading up the compilation of semester reports.

In semester two I will be working with the South East Victoria region as a Senior Advisor. This role is an acting role for 6 months and I have responsibly for supporting Principals and Schools in the areas of Wellington and South Gippsland. While I am working for the region Ms Deb Gentle will act in my place as Principal and Mrs Rebecca Williams will act as Assistant Principal. I am confident they will do a great job and the College will be in good hands. I look forward to returning at the start of the 2016 school year.

END OF SEMESTER REPORTS

Staff will complete these reports in the final week of term. We expect to publish these to students and parents on the last Thursday or Friday of the school term.

YEAR 11 INTERSTATE TRIP AND YEAR 10 WORK EXPERIENCE

Forty-four of our year 11s will depart on the annual Central Australia trip for the last week of term and the first week of the holidays. I am sure they will have an interesting and fun trip. Due to the small size of the group there will be classes held for the remainder of year 11 students during the last week of term.

WEST GIPPSLAND CROSS COUNTRY

Drouin Secondary College students travelled to Neerim South on Tuesday 2nd to compete in the West Gippsland Cross Country. Well done to all those who competed in what were pretty good conditions (cool but dry) for a Cross Country. All students competed really well with most gaining places which now entitles them to contest the Gippsland Regional Finals on Thursday 18th June at Lardner Park.

Team Results for Drouin were:
1st 12-13 Boys, 1st 14 Boys, 1st 15 Boys, 1st 16 Boys,
1st 12-13 Girls, 2nd 14 Girls, 1st 15 Girls, 1st 16 Girls

Top 10 Results:

12-13 Boys:
1st Fletcher Robertson-Edgar, 4th Brandon Peters,
5th Heath Morgan-Morris  
14 Boys:
1st Blake Cann, 2nd Jarryd Schelling, 4th Adonya Victor,

WELL DONEs

- Well done to our year 12 VCAL groups on their community fund raising efforts last Tuesday which saw them wash around 40 cars and raise close to $700.
- Well done to our musicians who put on a great concert last Tuesday night. The feedback from the audience was very positive and all enjoyed the showcase of talent.

Alysha McDougal in 8F was selected for the Victorian Gymnastics team and recently competed at the 2015 Australian Gymnastics Championships at Hisense Arena. Hundreds of girls throughout Australia tried out for a team position and Alysha was one of eight girls selected to compete for Victoria.

Alysha spent a week in Melbourne with the team and came home with the Bronze medal and an individual ranking of 4th on bars. Alysha has been doing gymnastics since she was 3 years old and trains for 19 hours per week. She will be travelling to China this month to train and compete against the Chinese elite gymnasts. Good luck Alysha.

The Department of Education requires schools to complete this data collection process annually. Please be aware that no information identifying students is included. The broad definition of disability as described in the Act includes:

- total or partial loss of a person's bodily or mental functions;
- total or partial loss of part of the body;
- the presence in the body of organisms causing disease or illness;
- the presence in the body of organisms capable of causing disease or illness;
- the malfunction, malformation or disfigurement of a part of the person's body;
- a disorder or malfunction that results in the person learning differently from a person without the disorder or malfunction;
- And finally, a disorder, illness or disease that affects a person's thought processes, perception of reality, emotions or judgement or that results in disturbed behaviour.

The Act also covers disabilities that people have now, have had in the past, or may in fact have in the future, or which they're believed to have by others.

It is not the intention of this collection to count every student who is protected from discrimination under the broad definition in the DDA. Rather the collection relies upon informed teacher judgement, and the understanding and knowledge schools have of their individual students, to decide which students are receiving adjustments to access education because of their disability. This is consistent with a school's legal obligations under the DDA and DSE.
Cross Country Champions

On a recent cold but sunny afternoon Drouin Secondary College students, changed into their house colours and running shoes. Students ran or walked the 2.7km course enjoying the physical challenge and some healthy inter-house competition.

Paterson was the Champion House, for the second year running.

Beginning on Monday, 18 May and ending on Thursday, 28 May, students of French and Japanese in Years 7, 8 and 9 competed against over 1000 other schools worldwide in the Language Perfect World Championships.

All up, DSC students answered 282,420 questions and earned 75,469 points!

This was the first time students at DSC have participated in this international competition and they found it both enjoyable and educational.

Not only were students able to compete against students worldwide, we were able to create class vs class competitions. It was great to see the LOTE students so engaged in their learning, whether it be in French or Japanese.

We also trialled homework activities through Language Perfect, which have been a hit!

Here is an extract from feedback our kids gave us:

“I really enjoy Education Perfect and it is really giving me motivation to learn more Japanese! Please let us continue using this awesome program!” (Ben Fenner)

“I really like this website because it is giving me a lot of confidence and has made me realise that I know a lot more French than I realised/ it is really fun and there are a lot of different ways you can learn the words.” (Sarah Olsen)

Hobbo, DSC Chaplain and 8H champion has been participating in the Variety Bash for the past eight years raising over $130,000.

Hobbo’s passion for Variety has rubbed off on the boys and with backing from the SRC it was decided that funds from the Harry Potter Casual Clothes Day would be donated to Variety. At last count over $1200 was raised. Awesome effort everyone.

8H would like to thank the following people for their support: Kylie & Steve for donating the sausages and helping cook, big John for travelling from Sale in his Variety Bash car and being chief of the BBQ. We’d also like to thank Coles Warragul for supporting our team with bread, sauce, onions and cans of soft drink.
New Uniform Winter Skirt

First order closes this Thursday

The College is excited to announce the launch of the mid-calf length winter skirt as an additional optional uniform item. The sizing is the same as the current knee length skirt.

For the remainder of 2015 the new skirt will be supplied on an order only basis. First orders must be made at the DSC General Office or the DSC Uniform shop by THURSDAY, 18th JUNE. The skirts should be available to pick up from the Uniform Shop on Thursday, 16th July.

Prices for the remainder of 2015 are:

- Sizes 8A-14A  $69.50
- Sizes 16A-26A  $72.00

The second run of orders will start on 20th July and close on 30th July with delivery by 27th August.
Salvation Army Red Shield Appeal

For the duration of Term 2, Year 12 VCAL have been learning about and raising awareness for homelessness.

To do this we have made documentaries which we hope to enter into a competition run by the Salvation Army. We have also been running a can drive over the past few weeks. We made it into a competition to see which form could collect the most cans, with a mystery prize as the incentive.

We have counted up the cans and the winner was 8H who brought in 73 cans!

What an awesome effort and thank-you to everyone that donated; your contributions will make more difference than you realise. In total, Drouin Secondary College students collected exactly 400 cans, which we donated to the Salvation Army on Thursday 28th May when we visited Project 614 - The Salvation Army Headquarters in Melbourne. You might have seen us on Channel 9 News with Jo Hall too.

We then donated our time, shaking tins for the Salvation Army Red Shield Appeal to raise money for those who are less fortunate.

It was a really eye-opening experience and interesting to see everything that we have learnt about homelessness put into action.
Have you put your form in?

CAMPS, SPORTS AND EXCURSIONS FUND (CSEF)

The Victorian Government has announced commencement of the Camps, Sports and Excursions Fund (CSEF), to ensure all eligible students are able to participate in school trips and sporting activities.

This includes:

- **School camps/trips**
- **Swimming and other school-organised sporting programs**
- **Outdoor education programs**
- **Excursions/incursions**

Families holding a valid means-tested concession card on the first day of Term 2, 13th April, or the first day of Term 3, will be eligible to apply. Students from these families must attend a Victorian registered primary or secondary school.

Eligible families will need to apply to the General Office at Drouin Secondary College with an application and a current concession card BY FRIDAY, 26TH JUNE. This application will be required each year.

Application forms are available at the General Office or on our web site www.drouinsc.vic.edu.au or alternatively the DET website, www.education.vic.gov.au/csef, where more information is available.

An annual payment of $225 for secondary school students will be paid by the end of Term 3 directly to the school to be used towards camps, sports and excursion costs for the benefit of the student (The primary school amount is $125).

The CSEF payment CANNOT be used towards voluntary school charges, or towards books, stationery, school uniforms, before/after school care, music lessons, etc.

If the student transfers to another Victorian school, the value of any unspent portion of the CSEF will be forwarded to the student’s new school, so that the student has access to the full value of the payment.

If the student leaves the Victorian school system, the CSEF payment will remain with the school and may be used towards the expenses for other family siblings, or school-incurred costs associated with operating camps, sports or excursion activities for students.

MOONDAH DANDENONG MARKET EXCURSION

To explore what multi-culturalism in Victoria entails, all Year 7 students ventured to Dandenong Market to immerse themselves in a variety of cultures and experiences. Students browsed the different sections of the market, including the deli, fresh produce, general merchandise and the food court, which offered them lunch from around the world. The gozleme was particularly good!
Yr 7 students read over five million words between 12th May and 3rd June and the following students successfully completed quizzes:

The target for each semester is to read at least three books and successfully complete quizzes on each.

Progress can be tracked at https://auhosted1.renlearn.com.au/1458054 using the student’s username and password for Moodle.

Drouin Secondary College wishes to thank the following local businesses for their support of our upcoming 2015 musical production, High School Musical.

- Drouin Dental Clinic
- O’Brien Real Estate, Drouin
- Many Faces Beauty Therapy Clinic, Warragul

Their generous support will ensure our students have more opportunities to work with industry specific equipment and produce a better quality show. Sponsor logos will appear on the set of the show. More business sponsorships are available. To enquire, please contact the school.

Lachie Crampton (Year 12, playing Troy Bolton) and Shannon Mellings (Year 10, playing Gabriella Montez)
Year 9 Careers
Joanne and Emily from Federation University Gippsland have been working with Year 9 LG groups over the last two weeks (with more to come in the next two weeks) to assist students with beginning to think about their future. Whether a student is planning to attend university, complete an apprenticeship or head straight into the workforce after completing secondary school, it is important to know what the options are and the pathway that needs to be followed.

Students have completed a variety of activities exploring their abilities in a range of areas, thinking about what their dream job may be and how decisions that are taken can affect the time it takes to get where they want to be in life.

Year 10 Careers
A number of students went to Federation University Gippsland for the day to explore what life at uni could be like. They competed in an Amazing Race around the campus with the assistance of current university students and learnt more about the value of developing study skills. Students had the opportunity to question a panel of current uni students to find out how they got to where they are and what life at uni is like for them.

Thanks very much to Federation University for the support they willingly provide to our students.

Yoo-dyillay Wannik
A presentation of uniforms was made to a group of young indigenous people at the Baw Baw Skills Centre on Wednesday, 3rd June.

The young people are part of a new program called Yoo-dyillay Wannik, which is a partnership between West Gippsland Healthcare Group, Victorian Aboriginal Community Controlled Health Organisation (VACCHO), Baw Baw Latrobe Local Learning Network (BBLLLEN) and Drouin Secondary College. The Kindred Spirits Foundation also has been a kind supporter of this program.

The program aims to have young koorie people complete a Certificate II in Aboriginal and Torres Strait Islander Primary Health Care, which will provide them with the necessary skills to seek employment in the health sector or go onto further study. As well as providing the students with a better understanding of Aboriginal health, the program also seeks to encourage those still engaged at school to continue their education and those who were not formally enrolled in education to re-engage with the training sector.

The uniforms presented to the students will be worn on visits to health organisations, such as a visit to the Royal Children’s Hospital which is planned for July and also for any work placements that the students will undertake as part of the program.

Year 10 Work Experience
All students in Year 10 undertaking Work Experience will receive a package of information in LG on Monday, 15th June. Students will receive information for themselves and their parents as well as an envelope with information that is to be given to their employer on the first day of the placement. There is a Work Experience Logbook to guide students throughout their week. Many teachers will be out and about in the last week of term visiting students at their workplace. We are looking forward to it, as are the students.
STEVE BIDDULPH is one of the world's best known parent educators. A psychologist for 25 years, he is now retired but continues to write and teach. His books, including The Secrets of Happy Children, Raising Boys, The New Manhood and Raising Girls are in 4 million homes and 31 languages. They have influenced the way we look at childhood and especially the development of boys and men. Today though, the exploitation and misuse of girls and young women globally are a major focus.

Steve’s live talks have had a remarkable public response, reaching 130,000 people over almost 30 years. Many people express surprise at how moving and emotional these talks are, as well as how much fun!
