Term 1 is full of activity for our community. We have already participated in the Ficifolia Parade, Year 12 has been to Melbourne for a study camp, and parents of Year 7 students have met with the Learning Group teachers. We’ve had a successful Swimming Carnival, a Celebration Assembly and Year 7 showed what a positive group they are by their participation in camp last week. I’m sure Year 8 & 9 students are excited about heading off on their camps and Tasmania Tour in the first week of Term 2.

You may have noticed a difference to the ‘Principal Report’ this edition; the focus has changed to ‘The Principal Team Report’. The reason for this is that I think it is important to be clear that our college is led by a Principal Team consisting of a Principal and three Assistant Principals. We work together to initiate, oversee and support the continual improvement of college programs, positive learning culture and most importantly student learning growth.

PARENTS WANTED
In order for our college to be well governed, our College Council must be representative of our community. Parent voice is essential and required. We still require three parent members to fill positions of two years each. There are also two positions available for community members. One of the first roles for the new council will be their role in the selection of our new Principal.

Please consider nominating for a position on council. Contact Deb Gentle or Josie O’Connor by Wednesday 16/3 if you would like to nominate or discuss the role of councillor.

STUDENT LEADERSHIP CEREMONY
Continuing on the leadership theme, we are looking forward to acknowledging our 2016 student leaders. Parents are welcome to attend the Student Leadership Ceremony in the Lyn Kelly Stadium on Tuesday 15th of March at 12.40pm.

WELCOME TO NEW STAFF
We are pleased to welcome Ms Bloetz who will be teaching Food Technology while Mrs Craig is on leave.

HOUSE SWIMMING SPORTS
The morning of 18th of February was overcast & drizzly. This did not dampen the spirits of the red, yellow, blue & green clad students eager to enjoy a day at Drouin Pool supporting their house.

Andrew Marks and the College staff led a well-run carnival. The House Captains organised their teams encouraging students to participate and cheer for their team mates. It was pleasing to see all races were contested with competitors keen to do their best for their respective houses.

The novelty races at the end of the day were a huge success with students having heaps of fun. A big thank you to the parents who were able to attend and show their support, even if for only part of the day. Well done to all the students who supported their houses, participating so enthusiastically in all aspects of the day.

REGIONAL RESTRUCTURE & DSC PRINCIPAL ROLE
To support the Government initiative of the Education State, there has been a significant restructure of the Education Regions across the state. For Gippsland this means a return to the geographic boundaries which were dismantled under the previous state government.
Principal Team Report Continued

DSC is situated in the South-Eastern Region (Gippsland), in the West Gippsland Area. Each area is to be supported by a Senior Education Improvement Leader (SEIL). The SEIL for West Gippsland is our former Principal Shane Wainwright. We look forward to Shane continuing to support our College.

Consequently, Deb Gentle has been asked to continue in the role of Acting Principal until a Substantive Principal is in place. This process will begin once the new 2016 College Council is in place. The timeline may look a little like this:

- Training of College Council in April.
- Selection Panel formed, consisting of a Regional Rep (SEIL), a Principal (usually from outside West Gippsland), DSC College Council President, parent representative (elected by College Council), and elected staff representative.
- Position advertised state wide via Department of Education & Training - Recruitment Online.
- Panel selects a shortlist of applicants from written applications.
- Interviews of shortlisted applicants held.
- The preferred applicant approved by College Council and then the Regional Director.
- Following a 2 week appeal period, the substantive Principal is announced. The Principal will then take up the role at DSC from the beginning of Semester 2, 2016.

In the meantime, our core work of ensuring the best possible learning growth for all our students is foremost. We are in the process of writing the Annual Implementation Plan for 2016, working with the Education State Initiative. The AIP will go to Council for approval at the March meeting.

PROGRESS REPORTS
The first Progress Reports for 2016 will be available on Sentral from the 9th of March. Students and parents will notice some changes including:

- Reporting on Learning Group and SURFF
- Homework is included for Year 10 & VCE students
- At Years 7 – 10 “Learning Growth” is commented on and at Year 11 & 12 it is “Academic Progress”

Please take some time to read the key accompanying your child’s report to be sure you have a complete understanding of the information about your child’s learning.

Parent feedback is valued. We want to know how helpful the Progress Reports are to you and your child. Please complete the survey at the Parent/Teacher/Student Meetings on 23rd & 24th of March.

Country Bus Travellers
Notice to all parents and students

Country buses (this does not include in town bus services) are provided as a free service to eligible students for the sole purpose of providing transport between home and school. While transport to and from other locations may have been allowed in the past, this situation has become unmanageable and unsafe. The rules governing School Buses are clear in this regard.

Transport such as:

- to the home of another student,
- to after school employment,
- to sporting and other social events, or
- to another person’s home for the purpose of child minding

are all regarded as private in nature and therefore the responsibility of the parents and students concerned.

Casual travel in the past has caused overcrowding on some buses which creates serious concerns with respect to the safety. This year most buses are already running to their capacity so seating is not available.

As a result of these issues, and in accord with Department of Education and Training and Department of Infrastructure guidelines, no bus passes will be issued for any reason other than to facilitate short term emergency housing.

PLEASE NOTE: No bus pass will be issued for any other purpose.

We deeply regret the inconvenience this may cause but we need to follow the guidelines set out by the Department of Education and Training closely as possible, which are created in the best interests of safety for all students.

Swimming Sports 2016!

The water was still, breeze calm, weather warm and the atmosphere bright as a boatload of DSC students launched into the Drouin outdoor pool to begin a thrilling day. Putting down towels, changing into their bathers, comparing race times and playing some music – 2016 DSC Swimming Sports was off to a strong start.

Paterson remained unsinkable for yet another year with a lead of over 140 points. Riding in their wake was Dennis, Gordon and finally Lawson.

In support of their houses, the sea of staff and students moved around like schools of fish dressed from head to toe in blues, greens, yellows and reds. Winnie the Pooh, mermaids and clowns made a splash appearance. The amount of encouragement from the crowd was almost overwhelming as it came from every different direction. Students and teachers made the day even better by consistently cheering on the swimmers. Mr Lyons and Miss Brooker’s commentary boosted the atmosphere and kept the crowd engaged.

There is an ocean of talented swimmers at DSC. Julian Wainwright set 3 new college records. Individual champions were: Piper Hastings, Daisy Hastings and Bailey Anstis from Lawson, Maddison Shaw and Julian Wainwright from Paterson and Caleb Wright and Taylah Roberts from Gordon.

Sad to say goodbye to their final DSC swimming sports, Year 12 James Doolan reflected “I’m actually going to miss swimming sports,” Tahnae Blight supported this affirming “I’m going to miss everybody dressing up and being so encouraging.”

Well done and thank you to all participants, staff and parents.

Alannah Balcombe 9B
On Thursday the 18th of February the Year 11 Outdoor Ed class, along with Mr Cox, Mrs Goss and Webbo boarded the bus and car, and spent 2 days in Inverloch and Phillip Island. We had a talk by a local in the information centre about the Bunerong Marine Park and the local ecology. We then had lunch, went to Eagle Rock and took a beautiful walk along the rocks and beach. A solo experience on the beach was a highlight for most students in the afternoon. A beautiful trangia cooked meal finished off the night.

Friday was a jam packed day full of surfing and snorkelling. Everyone gave the activities 110%. The weather was cold and wet but that did not dampen the spirits of the students. The bus trip home was a quiet affair with most of the bus falling asleep. A great trip had by all!
CAMPS, SPORTS AND EXCURSIONS FUND (CSEF)

Do you hold a Concession Card? If you have not already applied for the CSEF read on to make sure you don’t miss out on this Government funding

PLEASE NOTE THAT YOU ARE REQUIRED TO APPLY FOR CSEF EACH YEAR.

APPLICATIONS TO BE RETURNED TO DROUIN SECONDARY COLLEGE SCHOOL OFFICE BY THE 18TH MARCH 2016.

Those families who have already applied will have the funding arrive on their school accounts in early March. These credits will be applied in the first instance to any outstanding camp or excursion charges.

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

Criteria 1 - Eligibility
To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

- on the first day of Term one, or;
- on the first day of Term two;

1. Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be a holder of Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR
2. Be a temporary foster parent, and;
3. Submit an application to the school by the due date.

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

The annual CSEF amount per student is:

- $125 for primary school students
- $225 for secondary school students.

HOW TO APPLY
Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

MORE INFORMATION
For the CSEF application closing dates and more information about the fund visit www.education.vic.gov.au/csef

How Can I Find Out About University And Vet Courses On Offer?

School students who do their research usually find it easier to make critical career/course decisions than those who do not. What research is recommended?

- Go to the Victorian Tertiary Admissions Centre (VTAC) website at www.vtac.edu.au and do a Course Search (eg find where a particular course is taught, what is this year’s ATAR, what are the prerequisite VCE subjects?)
- Go on-line and search for courses on institution websites
- Read brochures/pamphlets about courses available in the Careers Room
- Go to career events such as Career Expos; eg VCE Careers Expo 2016 at Caulfield Racecourse
- Go to Institution Open Days (usually on Sundays in August)
- Go to events such as ‘Inside Monash’ (previously called ‘At Monash’) – and ‘Focus on Melbourne’ (University) –
- Attend school holiday programs run by some universities and other organisations (eg the Zoo and Healesville Sanctuary)
- Search the Job Guide at www.jobguide.education.gov.au; this site also offers links to other useful careers websites (eg Job Outlook). Find out what a particular job involves, and what is the likely rate of employment upon graduation
- Attend events run during the year which focus on particular careers (eg sports related careers, dietetics, psychology careers seminars have been held in the past)
- Talk to people who work in careers which interest you; What do they like about their careers? Are there disadvantages? How did they qualify?

- Go to the Careers Office and speak to one the Careers and Pathways Advisors - they are always happy to see you!

Federation University Experience Days

Federation University is offering students in Years 10, 11 & 12 the opportunity to participate in hands-on activities and speak to industry experts about the careers and pathways involved in a range of faculties. Days include:

- Outdoor Education & PE
- Arts & Education
- Nursing, Health Sciences & Psychology
- Business
- Engineering & IT
- Art & Design
- Science

Students who are interested in attending must register their interest in the Careers Office. Keep an eye on the Sentral Student Bulletin for information and dates.

Year 10 Work Experience

If you are an employer who is interested in finding out about our Work Experience program, please contact staff in the Careers Office. We would welcome the opportunity to discuss the benefits of the program with you.

Homework Club

Homework club gives free advice, support and guidance with any school work. Tuesday, Wednesday and Thursday nights after school 3.45 pm to 4.45 pm, in Moondah.

No need to sign up - just rock up!
On the year 7 Camp we visited Rawson and Walhalla. All the food was delicious and all the activities were fun. My favourite activity was the kayaking. Although I enjoyed some of the other activities like the high ropes, visit to Walhalla and the bushwalk. Although I didn’t get too much sleep, it was worth feeling tired.

The Spirit of ANZAC
and what it means for Australians

War, a horrendous part of our history that we will never forget. On Tuesday the 23rd of February, the Year 10s attended the Spirit of ANZAC exhibition and visited the Shrine of Remembrance.

Upon arriving at the Shrine we spent half an hour looking at the Shrine itself and the museum. Throughout the museum there were many artefacts detailing life during the war and countless personal stories. Whilst the Shrine was built to honour the sacrifice of the Australian men of WW1, it did not just stop there. Many other wars in which Australia were involved were included such as WW2 and the Vietnam War.

Inside the museum we visited the Crypt. The name, for me, conjured up images of a small, dark room which did not exactly inspire me to visit it. Once we entered, however, we realised how wrong we were. The room was filled with plaques naming those who served in the war, and the roof had the flags from all of the Battalions of WW1 dangling down. In the middle of the room there was a bronze soldier standing on top of a wooden box. The room was lit by sunlight and made it so you did not want to leave. Some of us spent most of the half an hour in there, although many navigated through the labyrinth of artefacts.

At the very top of the Shrine there was a room dedicated to the grave of the unknown soldier. The room was lit by natural sunlight and gave it a warm but sad feeling that made you want to be quiet and respectful.

Every half an hour the speakers would play the resonant sound of the bugle as we stood and remembered. The Bugle was then followed by the ode of Remembrance. There were many international guests paying their respects.

At the Spirit of ANZAC exhibition, we were given headphones and a device similar to an Ipod. This device told us information about the war, corresponding to where we were in the exhibit. Here we learnt about the men and women in WW1 and the sacrifices they made. As well as this we heard about the war itself; the duration and where different battles took place.

The best part of the exhibit was right at the end. We walked into a huge, white room. In this room were thousands of rotating pictures of soldiers who served in the war. The full impact of the war had not fully sunk in until that moment, before that it was just an abstract idea; no one could really comprehend how many people were affected.

The room brought many to tears; so many had made sacrifices for me, for you, for us to live in the society we do today. That is what we believe the spirit of ANZAC is. Remembering and thanking those who fought and died for our country - for our world.

Year 8 Hands On Learning

The Year 8 Hands On Learning team have started the year off with a bang!

8HOL Leo Club

Leos Induction

Held at the home of the 8HOL program (S21) the boys were officially welcomed into the Drouin Lions Club as Leos. The ceremony included some stirring speeches from the Drouin Lions Club President Murray Gardiner and our own Assistant Principal, Rob Monk. The boys received their Leos t-shirts and certificates. To conclude the activities a feast of triangular sandwiches and slices donated by the Drouin Lions Club were devoured. They were delicious.

Leo Club: Fundraising BBQ, Bunnings Warragul (Sat 13th February)

Several of the boys volunteered their time to cook up snags at Bunnings. It was a beautiful day and the sausages were jumping off the BBQ. The funds raised, in excess of $700, will be donated to a charity of the boys’ choice.

Leos Convention, Sunshine West

A team of boys led by Hobbo, Erica (Lions Club) and Mr Walsh left DSC at 7.30am on a road trip to Sunshine West in search of a greater understanding of the Leos program and what can be achieved by a Leos club. We didn’t leave empty handed walking away with a wealth of knowledge, full bellies, a second hand air compressor, a block of chocolate and a boogie board. Awesome trip!
3 words: Awesome, Special and Memorable

Awesome effort by the team to push on and conquer the hills of Mt Baw Baw and the challenge of carrying a full backpack, trangia cooking and sleeping in tents in the bush. Special effort to support each other through the squeeze caves at Britannia Creek and the Canopy Quest high ropes course at Nayook. Memorable, the bus trip back to base camp from Mt Baw Baw when some students found the windy road a bit much to take. What an amazing journey of self-discovery, learning resilience, persistence, skills in getting along and tolerance. Great getting to know each other and the teachers in a different light.

Special Guest

Chris (Robbo) Roberts: AFL boundary umpire, Carpenter and Man Cave coordinator spoke with the team about his career journey. Robbo discussed some of the challenges he has faced and his dream of one day umpiring an AFL Grand Final. Robbo encouraged the boys to work hard towards reaching their dreams and to ‘create their own luck.’
What a wonderful weekend spent with the 20 students going to Cambodia at the end of this year. The Team Building Camp was designed to push students out of their comfort zone on the Canopy Quest High Ropes and Caving, question their teamwork skills and find their inner leadership qualities.

The camp delivered all and more, staying in the luxury of the Nayook Outdoor Centre, with great food, awesome accommodation and fantastic leaders. The students showed excellent problem solving skills and really came together as a team. It was smiles all around and great excitement as the departure date to Cambodia to work at a rural school in Koung Tonle Kroum and building a house in Siem Reap draws closer. These students applied for the program in August 2015 and have been fundraising hard for the $4000 to attend.

Well done everyone for a great camp and special thanks to Jo Brauman and Steve Cahill who are helping organise the project.

*Gita Walker (DOVE Cambodia 2016 Coordinator)*
All Year 7 students are participating in the Accelerated Reader Program with Library Staff or are involved in the Literacy Support Program.

Accelerated Reader takes place during SURFF and English lessons in the library. With the aid of computerized quizzes, students are placed on a level appropriate to their reading ability.

Students need to be supported at home with a routine of regular reading. At this stage of the year, students should all have selected books at their level and be reading them regularly at home.

The target for Semester 1 is to read at least three books and successfully complete quizzes on each.

Thank you for supporting your child’s reading.

DSC English, SURFF and Library Staff

The selection of 2016’s student leaders is a process that commenced at the end of last year with the election of our College Captains. There are a variety of other student leadership roles in the college that have now been finalised; ranging from Year Level Representatives, Bus and Train Captain and Leaders representing various clubs and groups within the school.

One of the key student leadership groups in the college is the Student Representative Council. On the 26th of February, the members of the 2016 Student Representative Council came together for the first time to participate in a Leadership training day run by the Stride Organisation. The students used the day to get to know each other as a team, consider their leadership strengths and to establish goals for things they would like to achieve this year. This group has now commenced meeting regularly.

On Tuesday the 15th March the College will hold its annual Student Leadership Assembly at 12.40pm. This is an important date in the College calendar as it provides the College community with the opportunity to acknowledge the diversity of student leaders we have in the College and the vital role these students will play in making 2016 a success.
Parent/Student/Teacher Meetings

Parent/Teacher/Student interviews will be occurring at the College at the following times:

**Wednesday 23rd March 4.15 pm – 9.00 pm**
& **Thursday 24th March 9.00am – 12.00pm**

Parent / Teacher / Student Meeting appointments can be booked from **Wednesday the 9th of March**.

There are two possible ways of booking times to see teachers:

- **Book electronically by:**
  - Once you are in the Parent Portal click the Parent Teacher Interviews button on the menu across top. (only once bookings are made available).
  - Select the teachers, click times suitable for you.

- **Ring our General Office and book your preferred times on Phone: 5625 1002.**

For assistance with electronic booking, visit the Drouin Secondary College website to view a tutorial of how to use Sentral to book meetings for your child/ren.

1. Record all interview times when you have made appointment times convenient to you.

2. When you arrive at the College, please ensure your child’s name is marked off the roll in the foyer of the Senior LCC office and collect a map showing locations of teachers.

3. To ensure that all parents and students have the opportunity to meet with teachers as arranged, please limit each interview to the agreed 10 minutes. If you need extra time do not hesitate to make arrangements with the teacher for a later occasion.

4. If you are booking online, availability of staff members will be clearly marked. If a staff member is unavailable during parent/student/teacher interviews you can arrange an alternative time by contacting the general office. The classroom teacher will contact you at their earliest convenience.

5. Bookings will close at 3pm on Wednesday 23rd March before the session.
