We value: Achievement, Respect, Commitment, Community

PRINCIPAL’S REPORT

We began our final term with an Assembly to welcome our students and staff. We also welcomed some new staff members; Mr Andrew Monson who will be teaching SOSE & History and Ms Ashti Mullen teaching English. Also this term Ms Chris Johnson will be our Science Lab Technician and Mr Neil Walker will be our Maintenance Manager.

Our focus for Term 4 is to ensure our students finish the year successfully achieving to the best of their ability. This week we have said farewell to our Year 12 VCAL students who are leaving to seek work and further training opportunities. Some of our Yr 12 VCE students have already sat Performance & Oral Exams in Theatre Studies, Music & Japanese. In another week our Year 12 VCE students will finish their classes and begin their final exams. We wish them all the best for their exams.

DEBUTANT BALLS

As I write this report the Year 10 students involved in the Debutant Balls have finished their final training. I am sure their families and the College Community will enjoy two very successful evenings later this week.

MONDAY OCTOBER 31ST (day before cup day)

On Monday October 31st, the College will conduct a special program day for all students from year 7 to 11. Monday October 31st is the day before the Melbourne Cup day holiday and the College understands that many families take the opportunity to have some family and holiday time before the rush in Christmas. The College’s experience in the past is that less than 50% of our students attend on this day. This makes it impossible to conduct a normal school day as too many students miss important lessons. Consequently the College Council has decided to run a special program day for students attending on the day.

The special program will consist of three 100 minute sessions for students at each year level. Year 7 to 9 students will complete activities which include sport, computer and environment activities. Year 10 and 11 students will complete study hall sessions to help them complete work and study for their exams. Year 12 VCE students will already be studying for their exams. The students will be asked to sign up for activities in the Learning Group session the week prior to special program.

Parents who elect not to send their children on the day should follow normal absence procedures by providing parent permission via a phone call or note. If you have any questions or queries regarding the special program feel free to contact the College for clarification.
Bus Schedule changes on 31/10 – As Marist Sion, St Pauls, Chairo and St Ita’s all have the Melbourne Cup long weekend off, the Bunyip 2 & 3 and Longwarry buses will not be running. The Tonimbuk bus will pick up students at Foodworks and Longwarry Train Station. Please note that the school café will be closed this day– Students need to bring their own food for the day.

STUDENT PROGRESS
The Parent, Student, Teacher interviews at the end of Term 3 went smoothly. I hope all parents and students have a clear picture of their progress and ways to improve their performance. If parents did not receive a progress report in the post, or missed the interview sessions, feel free to contact the college.

UNIFORM CHANGES
For many years Parents & Friends have successfully managed the DSC secondhand uniform & book store. In recent years we have been struggling because of a lack of volunteers, with a small group of dedicated mums giving many hours of their time. As the College grows, this has become difficult to sustain. The P & F asked College Council/Uniform Committee to assist with a solution. The result of this work is that we will out-source the supply of uniform, and management of the Uniform Store, to Buxwear. The DSC Uniform Store will be the only outlet authorized to sell our uniform.

The Uniform Store has been relocated to the middle of the roundabout in front of the auditorium. The College will benefit from a small commission some of which will be used to support families in need. The store will continue to sell secondhand items. We hope families will benefit from the excellent quality of the new uniform and the service Buxwear will offer.

There will be some changes to the uniform which will be introduced over the next 2 years. These changes include a logo on all uniform items, some updated designs and fabrics. You will notice a difference in the spray jacket, girls dress & winter skirt. There will also be a summer skirt option.

Uniform Transition Timeline
All Year 7 2012 students and other newly enrolled students are expected to purchase the new approved uniform. Please do not purchase uniform from outlets other than the DSC Uniform Shop. Please do not purchase second hand uniform items.

For current students:
It would be expected that a reasonable change-over time for wash and wear uniform items would be 2 years.
**This includes: girls dress, pants, shirts & shorts, boys pants, shirts & shorts.**

Current Yr 7s should be in new approved uniform items (above) by the start of Yr 9 - 2013.
Current Yr 8s should be in new approved uniform items (above) by the start of Yr 10 – 2013.
Current Yr 9s should be in new approved uniform items (above) by the start of Yr 11 – 2013.
Current Yr 10 & 11 students can continue to wear the current uniform, but may choose to change to the new approved uniform if they need to replace uniform items.

More substantial uniform items should be changed over to the new approved uniform by the start of 2014 for all students.

**This includes: jumpers, spray jacket and girl’s winter skirt.**

**Second Hand Uniform**

The current stock of second hand uniform items will not be sold after the end of Term 4 2012. At that point old uniform items not sold will be returned to the owner.
No current uniform items will be accepted for second hand sale after the end of 2011.
The only items exempt from this are the current fleecy jacket and the current PE top.

**All students are expected to be wearing the new approved uniform by the start of 2014.**

**The new approved uniform can only be purchased from the DSC Uniform Shop. No other outlet has permission to manufacture or sell DSC uniform items.**

You will be able to view the new uniform at the DSC Uniform Shop or on the DSC web site.
The DSC Uniform Shop will also supply socks, tights and white under-shirts. Optional items such as: hats, beanies, scarves, ties, blazers & school bags will also be available for purchase.

**Cost:**
Some uniform items will be more expensive as a result of a significant improvement in quality. New uniform items will wash & wear better than many current uniform items.
Some parents of Year 7 2012 students will be eligible for the School Start grant to purchase uniform & books.
The Uniform Shop will credit uniform purchases against EMA.
Lay-by is available. This will be very handy for purchase of winter uniform.
Parents should also note that approved uniform purchase costs are now tax deductible.

**DSC New Uniform Shop Opening Times.**

*The new uniform Shop will be open for fittings only on:*
Wednesday 16th & Thursday 17th November, 2011
Wednesday 23rd & Thursday 24th November, 2011
Times 4 pm – 6 pm   Please ring Buxwear on: 9729 0424 for an appointment.

*The new Uniform Shop will be Open for sales from 1st December, 2011*

COWS CREATE CAREERS
On October 17th, the Agriculture & Horticulture class attended a luncheon presentation for Cows Create Careers. The team (The Krushers) of Adelle Baulch, Michael Pullicino, Liam Sims, Jackson Renton & Travis Wahl came first in the senior section.
This is a major project undertaken by students in Term 3. Cows Create Careers is a Strzelecki Lions Club project which was established to promote the career and educational opportunities for students in the dairy industry. It does this by introducing students to both vocational and university pathways, and involving dairy farmers and industry advocates who have vision and dairy industry knowledge to encourage and support students with the project.
The students raised two young calves (Doug & Nutts), supplied by local dairy farmer, Cameron Roberts, for three weeks. Over a six week period, students studied breeding, genetics, nutrition, cow and calf management, milk and milk by-products and marketing. They submitted a presentation of their project competing against 200 other teams.

ATHLETICS
After having been rained out last term, a depleted team of 40 students took part in the Gippsland Athletics on Wednesday 12th October. All students performed really well in pleasant conditions. Our Senior Boys did a great job, and finished as runners-up in their division.
Congratulations to all students who contributed, and good luck to the students who will go on to represent the College in the State Final on the 25th October at the new State Athletics Centre.

Place Getters and Qualifiers to State Finals:
- Daniel Jackson 3rd High Jump, 1st 1500m

**8HOL at the Phillip Island Motorcycle Grand Prix**

On Friday 14th October, 8H, Ms. Clapperton, Luana and Hobbo ventured to Phillip Island to be part of the 2011 IVECO Australian Motorcycle Grand Prix.

We arrived in time to see the MotoGP Free Practice, where we got to see all of the world famous rider like Casey Stoner, Valentino Rossi and Simoncelli. Not only did we get to see the bikes travelling at over 300kms an hour, we went and looked at the AMCN GP Expo where we got to see all different types of bikes, memorabilia, safety gear, but more importantly freebies! Some of us watched the Globe of Death, watch as three motor cyclists race each other inside one giant metal globe missing each other by millimeters! Those that didn’t see the Globe of Death saw the Freestyle Moto X Show and saw some riders perform stunts.

It was a great day – though we all wish we could have stayed longer.

Thanks to Ms. Brauman for organising it for us and Hobbo for driving the bus.
We have made some changes to our uniform !!!!!

The College is changing the way we supply our uniform. Buxwear will be supplying our uniform and managing the DSC Uniform Shop. We are confident that this change will ensure consistency, quality and excellent service for our families. Second-hand uniform & books will continue to be sold. Please visit the NEW DSC Uniform Store - at the roundabout in front of the Auditorium.—See Principals Report for more details.

Attention VCE students – selling second-hand books

The Second-hand Bookstore, open on Wednesdays 12-2pm and run by Parents and Friends, helps students sell their texts. Current Yr 11 students are encouraged to sell their copies of “The Curious Incident of the Dog in the Night-time”. This novel will be studied by Yr 10 English/Advanced English/English Communication students in 2012. After the VCE Unit 2 English exam, students are also encouraged to sell “Macbeth” which will again be studied by Yr 11 students in 2012

Current Yr 12 students are encouraged to sell their copies of “Cosi”, “The Crucible”, “Maestro” and “Persuasive Language in Media Texts” after sitting their English exam. The plays will be studied by Year 12 students in 2012, “Maestro” will be studied by Year 11 students and “Persuasive Language in Media Texts” will be studied by Year 11 and 12 students. Once exams are completed, please check with the Second-Hand Bookstore volunteers as to which texts will be used again for elective subjects. Students studying Yr 11 or 12 outdoor Education, your book will be purchased by the Outdoor Ed Department.

7G Parents

We are pleased to inform you that Ms Gallagher will be the Learning Group Leader for 7G for term 4. Please feel free to contact her if you have any concerns regarding your student.

YEAR 9 2012
TASMANIAN TOUR

A letter was sent home last week with students about next years Tassie Tour. The attached expression of interest form needs to be completed and returned to the General Office by Thursday 20th October 2011 with the $150.00 deposit.

YEAR 8 2012
CAMP INFORMATION

SESSION

All parents of current Year 7 students are invited to an Information session on October 26th at 7.30 pm in the auditorium.

At this session information about the camp being held for Year 8 students during 2012 will be provided. Opportunity for parents to ask questions of College staff members will also be possible. Key dates for return of forms and payments will also be discussed.

The camp will be held from March 19th to 23rd 2012 at “The Summit” in Trafalgar.

How often do you use Spellchecker in the wrong way? See if you can ‘translate’ this song about the Spellchecker.

Song of My Spellchecker

Eye halve a spelling chequer;
   It came with my pea see;
It plainly marques four my revue,
   Miss steaks eye kin knot sea.

   Eye strike a key and type a word
   And weight four it two say,
   Weather eye am wrong oar write;
   It shows me strait aweigh.

   As soon as a mist ache is maid,
   It nose bee fore two long,
   And eye can put the error rite;
   Its rare lea ever wrong.

   Eye have run this poem throw it;
   I am shore your pleased two no,
   Its letter perfect awl the weigh,
   My chequer tolled me sew.

Work Experience

A reminder to all year 9 students that work experience dates for next year are **June 21st – 25th** (final week of term 2). Well done to all those who have organised their work experience already.

Any students who haven’t organised a placement, or returned their yellow forms to the Careers Office can expect to be approached by Careers staff to get the ball rolling.

Tax File Number Applications

DSC has an arrangement with the Australian Tax Office (ATO) which enables students to apply for a tax file number through the school. The advantage of applying in this way, (as opposed to getting a form from the Post Office), is that the form is much simpler to fill in. Because the school already has students’ enrolment details, the only additional identification required is the birth certificate number and registration date.

Once a form is completed, the school verifies each application, sends it off to the ATO and a number is then forwarded directly to the student. It takes around five weeks to get a tax file number.

Application forms can be collected from the Careers Centre.

YEAR 7 DRUG & ALCOHOL EXPO
Over the last two weeks our year 7 students have completed a research task about the effects of many legal and illegal drugs. Our topics have varied from commonly used substances such as caffeine, to those which are far less well known. After completing their research, the students prepared educational and display materials which they used to present their knowledge to other classes in the college. The presentations took the form of an expo, with classes of older students visiting our year 7 Moondah sessions to attend the expo.

In preparing and presenting the expo, the students gained knowledge of specific drugs and how to minimise the harm linked to drug use. They also experienced the importance of completing work to meet deadlines, how to work co-operatively and share tasks in a team and how to share and present information effectively.

Last week was Mental Health Week.
As a youth- and family-focused organization ‘Headspace’ would like to let you know they are in our community as a resource for young people in need. Headspace is Australia’s National Youth Mental Health Foundation funded by the federal government.

Headspace knows that young people go through many changes as they grow up. They are presented with issues that sometimes make it difficult for them to build healthy relationships and cope with day to day expectations. Raising sensitive issues and working to resolve problems that arise along the way can be challenging. It can often be hard as a parent to know the difference between oral behavior, such as moodiness, irritability and withdrawal and an emerging mental health problem.

Headspace aims to provide support for young people ages 12 – 24 years and their families. It is a place where young people can get help and support for a range of issues including physical and sexual health, mental health and drug and alcohol problems. The good news is that with support, these issues can often be dealt with early enough to prevent them becoming even more significant and debilitating to the young person’s life. However, asking for help is the first and most difficult step. That is why your children need you to make accessing services easier for them.

Headspace offers free, confidential and professional services to young people with physical, mental and sexual health issues. Find out more about us by calling 5622 3677 (Warragul). You can also call the Well Being Team at DSC if you want to find out more about Headspace services.

8HOL COOLING IT DOWN WITH THE DROUIN CFA
The Year 8 Hands on Learning Boys have been doing their Minimal Skills with the local Drouin CFA brigade. Throughout the year they have built up their relationship with the local community and have learnt a number of things including radio communications, five man fog attack, drafting and pumping.

The boys have thoroughly enjoyed their time with the CFA and will be doing a demonstration to a local Primary School later in the year.
